

**Importantly, if you have a food allergy or intolerance, please ask us for help and information.**

**Quality Local Island and Scottish Produce for your Breakfast at Broad Bay House.** We source as much of our food as possible from local island suppliers:

Our **House Coffee** is hand blended and roasted in small batches especially for us by Flavour (Isle of Harris). They select the finest green beans from Brazil, Colombia, Nicaragua and Honduras, which we then grind ourselves to ensure freshness and aroma.

**Local Smoked Fish** is delivered by Islander Shellfish (kippers) and Uig Lodge (Award winning smoked salmon). Both local companies are based here on the Isle of Lewis, and both smoke their fish here on the island.

**Stornoway Black Pudding** (PGI) comes from award winning butcher Charles Macleod in Stornoway and is made to the original 70-year-old recipe. We also get our **bacon and sausages** here, made using Scottish Pork.

Our local free-range hen **Eggs** are from a local croft in Coll.

Our **Preserves & Marmalades** are handmade by Kate at Perthshire Preserves.

Our **Cheeses** are all made in Scottish and purchased locally at the Good Food Boutique in Stornoway.

Our **Fresh Fruit, Vegetables and Herbs** are delivered by a local wholesaler and are all sourced from Scotland when in season. We always use Scottish berries, fruit and vegetables when in season and only source products from the rest of the UK when required. We try to avoid any out of season fruit and vegetables to cut down on food air miles, as per our green policy.

All our **Butter, Natural Yogurt and Cream** are Scottish from Graham's Dairy. **Alternative milk** is available, if required.

**Selection of teas** - English Breakfast, Earl Grey, Green, Peppermint or pick your own from the tea caddy!

Enjoy!
