Quality Local Island and Scottish Produce for your Breakfast at Broad Bay House.

We source as much of our food as possible from local island suppliers:

Our **Coffee** (Highland Roast) is ground for us by the Inverness coffee roasting company and shipped to us once per month.

Local Smoked Fish is delivered by Islander Shellfish (kippers) and Uig Lodge (Award winning smoked salmon). Both local companies are based here on the Isle of Lewis, and both smoke their fish here on the island.

Stornoway Black Pudding (PGI) comes from award winning butcher Charles Macleod in Stornoway and is made to the original 70-year-old recipe. We also get our bacon and sausages here, made using Scottish Pork.

Our local free-range hen **Eggs** are from the local croft in Coll. The hens are very spoilt. They love oats and sweetcorn as a treat, which supplements their organic food.

Our **Preserves & Marmalades** are handmade by Kate at Perthshire Preserves.

Our **Cheeses** are all made in Scottish and purchased locally at the Good Food Boutique in Stornoway.

Our **Fresh Fruit, Vegetables and Herbs** are delivered by a local wholesaler and are all sourced from Scotland when in season. We always use Scottish berries, fruit and vegetables when in season and only source products from the rest of the UK when required. We avoid any out of season fruit and vegetables to cut down on food air miles, as per our green policy.

All our **Butter, Milk, Natural Yogurt and Cream** are Scottish from Graham's Dairy.

Hamlyes provides the organic oats for our **Porridge**. Their oats are grown, picked, milled and packaged all in Scotland.

Enjoy!
